

Blind Willy

The Tiger Lillies

Blind Willy, leads me to your door
Blind Willy, wants you more and more and more
Blind Willy vomits on your floor

Blind Willy says you're the one that he adores
But after he's made his entrance he's quickly at your door
Blind Willy vomits on your floor

Afterwards Blind Willy's feeling rather small
After the rise comes the fall
Blind Willy vomits on your floor

Blind Willy, Blind Willy, Blind Willy,
Blind Willy, Blind Willy, Blind Willy,
Blind Willy, Blind Willy,
Blind Willy vomits on your floor

Blind Willy vomits on, Blind Willy vomits on
Blind Willy vomits on your floor
Blind Willy vomits on your, Blind Willy vomits on your,
Blind Willy vomits on your floor
