

## By the Shore

The Tiger Lillies

In tatoo parlours by the shore  
they do anchors by the score  
neptune and mermaids  
and girls from far away  
in tatoo parlours by the shore  
In massage parlours by the shore  
they do sailors by the score  
even when business stank  
forty they'd wank  
in massage parlours by the shore  
In funeral parlours by the shore  
business is rarely poor  
marble slabs sagging with  
drownings and stabbings in  
funeral parlours by the shore
