

Enemies of love

The Tiger Lillies

Enemies of love
To Hell you are bound
In Hades you will burn
Eternal violence all around

Enemies of love
For each act you'll receive
Eternal suffering
For each of your bad seeds

Warmonger's politician
Holy man and king
Each drop of blood you spilled
Increased your suffering

As you sow so you shall reap
Eternal is that law
Every warrior
Is lower than a whore

Enemies of love
Enemies of love
Enemies of love
