

Flipper boy

The Tiger Lillies

He's got no legs and he's got no arms
and flipper boy is full of fear
He swims in a fish tank he's star of the show
mermaids he spears
Flipper boy is three foot high
he's got no lips or ears
But when flipper boy has finished his shift
he drinks twenty pints of beer
Flipper Boy! Flipper Boy!
Flipper boy's a vampire
he wants to drink your blood
When flipper boy he smiles at you
it's not with love
He's got no fingers just got claws
he wants to cut your throat
Flipper boy drinks your blood
on it his stomach bloats
Flipper Boy! Flipper Boy!
Flipper boy has got no teeth
but flipper boy he is mean
Flipper boy is star of the show
when he speaks he is obscene
Mermaids don't last long in his tank
each one he molests
Flipper boy hates everyone
but as a freak he is best
Flipper Boy! Flipper Boy!
Flipper boy is a dirty boy,
flipper boy has a big cock
But every whore that's fucked flipper boy
fucks him with their eyes shut
Flipper boy is a freak in his mind as well
With all the poison that he thinks
flipper boy is going to Hell
Flipper Boy! Flipper Boy!
Flipper boy is going to Hell!
Flipper boy is going to Hell!
