

George

The Tiger Lillies

George, George,
he lost his life did George,
I always had a soft spot
for the mother of my dad,
George, George, George.
He knew a good thing did George,
the National Front aspired
and George was up for hire,
oh George, George.
George, he worked
at Ford Dagenham, did George,
he always was a Nationalist
before he became a ffffffffashist
oh George, George. George,
he died in a lot of pain,
I never had the heart to tell him
that it wasn't such a shame.
George, George,
I never had the heart to tell him
that he didn't have a brain.
