

Gypsy Lament

The Tiger Lillies

The Nationalists, the Socialists,
The Communists, the Capitalists
They all agree you don't exist
And they all watch as you slash your wrists

Gypsy lament, Gypsy lament
Gypsy lament, Gypsy lament

They treat you like you're a disease
They all do with you as they please
They all watch as you bleed
They bleed you of your dignity

Gypsy lament, Gypsy lament
Gypsy lament, Gypsy lament

Gypsy lament, Gypsy lament
Gypsy lament, Gypsy lament
