

Jacky

The Tiger Lillies

Jacky, she's a fake whore,
She'll obstruct you on your way.
And she'll hit you and she'll beat you,
Every day.

And, Jacky, she's a fake whore,
And she's seen better days.
She will kick you down the stairway,
Every day.

And, Jacky she's a fake whore,
And its her fifth fix today.
All the men who have abused her,
Well she spits on them today.

And, Jacky she's a fake whore,
And she has gone away.
Someone knifed her in the ally,
Yesterday.
Yesterday.
Yesterday.
Yesterday.
Yesterday.
