

Kick A Stick

The Tiger Lillies

Sometimes I go walking
Walking down the street
When an old aged pensioner
I do meet

That's when I do practise
My favourite sport
I kick a stick kick a stick
That they do support

Kick a stick kick a stick

Well you can kick a stick
Anywhere you go
Kick that stick kick that stick
And down they go

Well you can kick a stick
As they go on their way
Then you can go
Hip hip hip hooray

Kick a stick kick a stick

Well you can kick artificial limbs
Zimmer frames as well
But kicking sticks well that's the best way
Old aged pensioners to fell

And when they're lying
Down there on the floor
You can kick 'em kick 'em kick 'em
More and more

Kick a stick kick a stick
