

## Life's a bitch

The Tiger Lillies

Six sons dead four sluts to feed  
Sell those bitches for my needs  
Life's a bitch  
Life's a bitch

A man works a man gets paid  
Those four on their backs they lay  
Life's a bitch  
Life's a bitch

Well men are big men are strong  
They carry you when your legs have gone  
Life's a bitch  
Life's a bitch  
Life's a bitch  
Life's a bitch

Those sluts have got me in their paws  
Those sluts have got me those four whores  
Life's a bitch  
Life's a bitch  
It's a b.i.t.c.h. bitch  
It's a bitch

And if those bitches don't earn no pay  
I'll send those bitches far away  
Life's a ...  
Yeah life is a ...  
Oh it's a ...  
Oh it's a ...  
It's a bitch
