

Life's a bitch

The Tiger Lillies

Six sons dead four sluts to feed
Sell those bitches for my needs
Life's a bitch
Life's a bitch

A man works a man gets paid
Those four on their backs they lay
Life's a bitch
Life's a bitch

Well men are big men are strong
They carry you when your legs have gone
Life's a bitch
Life's a bitch
Life's a bitch
Life's a bitch

Those sluts have got me in their paws
Those sluts have got me those four whores
Life's a bitch
Life's a bitch
It's a b.i.t.c.h. bitch
It's a bitch

And if those bitches don't earn no pay
I'll send those bitches far away
Life's a ...
Yeah life is a ...
Oh it's a ...
Oh it's a ...
It's a bitch
