

Love For Sale

The Tiger Lillies

Can I sell you
Love for sale
Can I sell you
Love for sale

Got the looks you got the style
You got the walk you got the smile
You got the legs you got the hips
You got the breasts you got the lips

Can I sell you
Love for sale
Can I sell you
Love for sale

You're so nice you're so sweet
Without me the future's bleak
So let me use you for a while
Charm you with my sickly smile

Can I sell you
Love for sale
Can I sell you
Love for sale

We got a good price
And if we act real nice
We can even pretend
That it's not vice

Can I sell you
Love for sale
Can I sell you
Love for sale
Can I sell you
Love for sale
Can I sell you
Young love for sale

Young love for sale
Young love for sale
Young love for sale
Young love for sale
