

## Molester of minors

The Tiger Lillies

I'm 49, buying youth, punished now in Hell  
Selling youth on the street a victim of this whore  
Hypocrisy means I'm punished by this ass, the law  
He's 15, looking 18, I love his young flesh  
But I must be censured, now illegal my caress  
Corrupted and voracious are his desires  
For money and for sex a cheat, a thief, a liar  
Denim-clad buttocks, bleached blond hair,  
Seductive and tempting, provocative his stare  
All the men he has seduced without thought or care  
Just one more on the list, out of this prison stare  
So my life is ruined by such pleasures cheap  
An empty pleasure now, in this cell I weep  
Seduced by empty pleasure now I serve my time  
The law it is an ass, the law it is a swine
