

Mozart's in Mannheim

The Tiger Lillies

Workin' in a little bar
People are all pissed
Half the girls he fancies
The other half he's kissed

Mozart's in Mannheim
Mozart's in Mannheim

People are all shouting
Oh there could be a fight
He's playing in a different bar
Every single night

Mozart's in Mannheim
Mozart's in Mannheim

You almost made it
Now you're down on your luck
Well when you've had a few drinks
You don't give a fuck

Mozart's in Mannheim
Mozart's in Mannheim
Mozart's in Mannheim
Mozart's in Mannheim

Started the piano
At an early age
One day pretty soon
You'll be all the rage

Mozart's in Mannheim
Mozart's in Mannheim
Mozart's in Mannheim ...
