

## Murder

The Tiger Lillies

Murder is easy, murder is fun,  
it's better than sex, I always come,  
I like to stalk those I abuse,  
I like them to struggle so I can refuse.

Murder is easy, murder is fun,  
it's better than sex, I always come.  
I like to go prowling on Saturday night,  
I like them to struggle and put up a fight.

Murder is easy, murder is fun,  
it's better than sex, because I always come,  
I've murdered so many I have lost count,  
the pleasure it gives me is a large amount.

Murder is easy, murder is fun,  
it's better than sex because I always come,  
I murdered the vicar, I murdered his son,  
murdered his dad and I murdered his mum.

And I murdered, murdered, murdered, murdered  
cats, cats, cats..... as a boy,  
then I moved on to dogs, I moved on to dogs,  
I moved on to dogs  
dogs, dogs,dogs.....now it's the McCoy..

Murder is easy, murder is fun,  
it's better than sex because I always come,  
public opinion, it don't swell,  
the consensus is I am unwell.

Murder is easy, murder is fun.  
it's better than sex because I always come,

It's better than sex because I always come  
it's better than sex because I always come  
it's better than sex because I always come  
I always come...
