

Pervert

The Tiger Lillies

I'm a pervert I'm a pervert
I don't give a damn
I'll eat you for breakfast
I see through every sham

Well when your bones are bleached and broken
Maggots eat your flesh
Well you tell me that your life's been
A success

Well I'm a pervert I'm a pervert
I'm a blasphemer and a ponce too
Yeah pleased to meet you can I abuse you
At least once yeah you

Well your religion your religion
Yeah your religion it makes me retch
Well I piss upon your alter yeah
I won't show you any respect
Well I'm a pervert I'm a pervert
I go down I go down on the Pope
Well I'd whip the Holy Mother
And then give her give her a poke

I'm going down I'm going down
I'm going down to Hell
Well I might see some of you
Some of you there as well
