

Rapist

The Tiger Lillies

She worked in a brothel
From the age of 13
She never made much money
Her pimp her purse would clean
She worked in that brothel
And in that brothel she was raped
And the rapist had HIV
That's what I call a bad break
And the HIV it turned to AIDS
And the rapist, the rapist,
the rapist, the rapist got away
So for her funeral she had to pay
And all her so-called friends
They all stayed away
And the HIV it turned to AIDS
And the rapist, rapist, rapist,
rapist, rapist, rapist,
rapist, rapist, rapist, rapist,
rapist, rapist got away
