The Tiger Lillies

She worked in a brothel From the age of 13 She never made much money Her pimp her purse would clean She worked in that brothel And in that brothel she was raped And the rapist had HIV That's what I call a bad break And the HIV it turned to AIDS And the rapist, the rapist, the rapist, the rapist got away So for her funeral she had to pay And all her so-called friends They all stayed away And the HIV it turned to AIDS And the rapist, rapist got away
