

She's a Whore

The Tiger Lillies

kill all the kings
if you tell her
sleep with whoever
just sell her
she'll prounce free
she'll be your queen
she's a whore
she'll tell you shes always loved you
hold you
caress you
and drop you
prounce free
she'll be your queen
she's a whore
after she stripped you
dropped you
her soul is a carcass that rots you
she'll prounce free
she'll be your queen
she's a whore
she's a whore
