

Sinner

The Tiger Lillies

God, I've been a sinner
God, I know I'm damned
I'm a homosexual hermaphrodite
And a dirty old man

God, I've been a sinner
at the Pearly Gates
St Peter slipped it in again
He always comes to late

God, I've been a sinner
And now I'm gonna die
Can I get into to heaven
If I wear a suit and tie?

God, I've been a sinner
God, I know I'm damned
I am a Pakistani
and I come from Birmingham

La-la-la-lalala lala-lala-la
La-la-la-lalala lala-lala-la
La-la-la-lalala lala-lala-la
La-la-la-lalala lala-lala-la

God, I've been a sinner
I had sex with sheep
And when I did have sex with them
Insertion it was deep

God, I've been a sinner
God, I know I'm damned
I am a Pakistani
and I come from Birmingham

La-la-la-lalala lala-lala-la
La-la-la-lalala lala-lala-la
La-la-la-lalala lala-lala-la
La-la-la-lalala lala-lala-la
