

## Sinner

The Tiger Lillies

God, I've been a sinner  
God, I know I'm damned  
I'm a homosexual hermaphrodite  
And a dirty old man

God, I've been a sinner  
at the Pearly Gates  
St Peter slipped it in again  
He always comes to late

God, I've been a sinner  
And now I'm gonna die  
Can I get into to heaven  
If I wear a suit and tie?

God, I've been a sinner  
God, I know I'm damned  
I am a Pakistani  
and I come from Birmingham

La-la-la-lalala lala-lala-la  
La-la-la-lalala lala-lala-la  
La-la-la-lalala lala-lala-la  
La-la-la-lalala lala-lala-la

God, I've been a sinner  
I had sex with sheep  
And when I did have sex with them  
Insertion it was deep

God, I've been a sinner  
God, I know I'm damned  
I am a Pakistani  
and I come from Birmingham

La-la-la-lalala lala-lala-la  
La-la-la-lalala lala-lala-la  
La-la-la-lalala lala-lala-la  
La-la-la-lalala lala-lala-la
