

## Sodsville

The Tiger Lillies

Valium glances beneath plastic flowers  
Heathens and sinners and men of the hour  
In massage parlours on bended knees  
You always wanted to please  
In Sodsville  
In Sodsville

Fishnets, a mini and a barrel of smack  
Spend half your life on your back  
Got no money, don't get no honey  
Buying or selling  
Yes, why are we dwelling  
In Sodsville  
In Sodsville

Nows the time and you want out  
So many addictions to sort out  
Choose your exit and go in peace  
Don't look back and never speak
