

# Swine

The Tiger Lillies

I've drunk whiskey, I've drunk gin, to allay, to allay my sins.  
I've been nasty, I've been unkind, I'm a swine, I'm a swine, I'm a swine.

I've drunk Cointreau and Cognac  
so I could stab you, stab you in the back.  
I've drunk a lake of wine, I'm a swine, I'm a swine, I'm a swine.

And I've drunk a barrel of beer to allay, to allay, to allay my  
fear,  
I stuck my finger up your behind, I'm a swine, I'm a swine, I'm  
a swine.

I'm a swine, I'm a swine, I'm a swine  
I'm a swine, I'm a swine, I'm a swine  
I'm a swine, I'm a swine, I'm a swine  
I'm a swine, I'm a swine, I'm a swine  
I'm a swine, I'm a swine
