

The merry birdcatcher

The Tiger Lillies

The merry birdcatcher am I
And tra-la-la is what I cry
The merry birdcatcher famed
By young and old I'm named
I know how to use a lure
I can whistle high and pure
That's why I'm so full of glee
All these birds belong to me

The merry birdcatcher am I
And tra-la-la is what I cry
The merry birdcatcher famed
By young and old I'm named

My theatre is completely packed
The audience cheer
Through all the acts
That's why I'm so full of glee
All these florins belong to me
Belong to me
Belong to me

The merry birdcatcher am I
And tra-la-la is what I cry
The merry birdcatcher famed
By young and old I'm named

My theatre is completely packed
The audience cheer
Through all of the acts
That's why I'm so full of glee
All these florins belong to me
Belong to me
Belong to me
Belong to me
Belong to me
Belong to me
Belong to me
