

Three-legged jake

The Tiger Lillies

Three-legged Jake...
three-legged Jake
Three-legged Jake it's a mistake,
you can tell he's a fake
You know what they say about three-legged Jake
in a back alley your legs he'll break
Mean motherfucker who's full of hate,
nasty mean and a fake
Your throat he will cut
and he'll beat you up
three-legged Jake is a mean motherfuck
And after the job the three-legged yob
will go home and pray to a three-legged God
Three-legged Jake he's got a dog
and one of his legs he's cut off
Now three-legged Jake's got
a three-legged dog and in the streets
they look pretty odd
The three-legged dog will bite your leg off
and spit it out when he coughs
The three-legged dog is a circus freak
and in the freakshow he barks when you speak
He sits on the lap of three-legged Jake
when in the freakshow money he makes
Three-legged Jake...
three-legged Jake...
legs he will break...
