

## Wedding Song

The Tiger Lillies

There's a beggar queen  
and a bandit,  
this is their wedding song.  
Well, they're dancing,  
for the Devil,  
for the Devil, he is strong.  
Polly Peacham, what a beauty,  
she has had five thousand men.  
And Macky, her new husband,  
he has murdered some of them.  
Macky's strutting, a fine husband,  
he's a good pimp for his whore.  
He likes to have her daily,  
after she has had a score.  
Polly Peacham, what a beauty,  
she knows her right from her wrong.  
There's a beggar queen  
and a bandit,  
and this is their wedding song.
