

Wedding Song

The Tiger Lillies

There's a beggar queen
and a bandit,
this is their wedding song.
Well, they're dancing,
for the Devil,
for the Devil, he is strong.
Polly Peacham, what a beauty,
she has had five thousand men.
And Macky, her new husband,
he has murdered some of them.
Macky's strutting, a fine husband,
he's a good pimp for his whore.
He likes to have her daily,
after she has had a score.
Polly Peacham, what a beauty,
she knows her right from her wrong.
There's a beggar queen
and a bandit,
and this is their wedding song.
