Wedding Song

The Tiger Lillies

There's a beggar queen and a bandit, this is their wedding song. Well, they're dancing, for the Devil, for the Devil, he is strong. Polly Peacham, what a beauty, she has had five thousand men. And Macky, her new husband, he has murdered some of them. Macky's strutting, a fine husband, he's a good pimp for his whore. He likes to have her daily, after she has had a score. Polly Peacham, what a beauty, she knows her right from her wrong. There's a beggar queen and a bandit, and this is their wedding song.
