## The Time

I got a penthouse in Manhattan  
Two more in Malibu  
I bought a '87's Cadillac Seville, girl  
I got a Mazarati too

I wear diamonds on my fingers  
I got a couple on my toes  
I wear the finest perfume money can buy  
It keeps me smellin' like a rose

If you wonder how I do it  
There's just one simple rule

I'm just cool, oh, oh, honey  
Baby, can't you see?  
Girl, I'm so cool  
Ain't nobody bad like me?

COOL  
What's that spell? COOL

I might dine in San Francisco  
Dance all night in Rome  
I go any freakin' place I want to  
And my Lear jet brings me home

I got ladies by the dozens  
I got money by the ton  
Just ain't nobody better  
Heaven knows that I'm the one

And it's all because of something  
That I didn't learn in school

I'm just cool, cool, cool, cool  
Honey, baby, can't you see?  
Girl, I'm so cool, cool, cool, cool  
Ain't nobody bad like me?

Sing it, baby, COOL  
What's that spell? COOL  
That spells cool  
Cool, cool, cool, cool  
Cool, cool, cool, cool

What time is it? Cool

Listen baby, it takes a lot of lovin'  
And a little money to be a friend of mine  
But baby, if you know how to shake that thing  
I'll try to squeeze a little time

'Cause I make love, love every mornin'  
To who's ever by my side  
'Cause you might say that I'm a nymphomaniac  
But it keeps me satisfied

When I look into the mirror  
It just tells me something I already know

I'm so cool, cool, cool, cool  
Honey, baby, can't you see?  
Girl, I'm so cool, cool, cool, cool  
Ain't nobody bad like me?

Sing it, COOL  
What's that spell? COOL  
What time is it? Four  
Well, I'm so cool, cool  
Girl, I'm so cool

Band

COOL, COOL, cool, that's right  
I'm cooler than Santa Claus, baby  
Oh, um hum, ain't nobody bad like me  
Somebody pinch me, I must be dreamin'  
I know that's right

'Cause there ain't nobody bad like me  
What time is it?  
Is it time to get my hair done yet?  
I said, what time is it?

Time to just walk and shake my head  
I'm cool till I'm dead  
Enough has been said, come on baby  
Let's go to bed

Everybody, walk, shake my head  
Cool till I'm dead  
Enough has been said, let's go to bed

When I look into the mirror  
It just tells me something I already know  
I'm so cool, there ain't nobody bad like me?  
I'm so cool, I said, ain't nobody bad like me?

All together now, COOL  
What's that spell? COOL
