

If The Kid Can't Make You Come

The Time

You like my crib, baby?

Well, come a little closer. Don't be shy

Darlin', I want you so bad. I can almost taste the smell of your skin

And honey, I'd be so sad, if you didn't break down and let me in

You better let me in, baby. Don't you know

If the Kid can't make you come, nobody can

Am I gettin' through, baby?

Sweetheart, I can be gentle as a lamb. If that's what gets you off

I wanna get you off, baby

And lover, straddle my brass and we'll dance in the land of the hard and soft

I don't care, baby. Whatever gets you off?

If the Kid can't make you come, nobody can

Need I say more, baby?

Do you wanna straddle my brass?

If the kid can't make you come, nobody

That's a pretty blouse

Thank you

Take it off

Is that better?

A little bit, I'd rather see it live in concert though

Well, I'll tell you what, cutie. I'll let you take that off

Oh yes

This little hook went to Holland. This little hook went to France

This little hook went to London. And this little hook went to

Uhhh

Oh Lord! Honey, don't you ever try and breastfeed no baby

Why not?

Never mind. What time is it?

Titty time

I know that's right

Uhhh

What's my name?

Morris

No, come on baby, what's my real name?

Uuh, uh, uhh

Talk to me, talk to me

M Mo Mor Morris

Yes! Oh baby, you're just too sexy

Morris?

Yeah baby

What's my name?

It's baby, ain't it?

Oh Morris, what's my

Ah ga ga ga ga

Oh, Morris

Too sexy

I bet you never thought I'd be this good, did you?

Let me hear the pledge of allegiance, baby

What do you mean?

You know, like you used to do in school

You got to be kidding. I guess you're not

Come on baby, Morris is listening

OK I pledge allegiance to the flag of the United States of America

And to the republic for which it stands

Oh Lord! You're just too sexy

Uuh

Ain't nobody bad like me?
