

# If The Kid Can't Make You Come

The Time

You like my crib, baby?  
Well, come a little closer. Don't be shy

Darlin', I want you so bad. I can almost taste the smell of your skin  
And honey, I'd be so sad, if you didn't break down and let me in  
You better let me in, baby. Don't you know

If the Kid can't make you come, nobody can

Am I gettin' through, baby?

Sweetheart, I can be gentle as a lamb. If that's what gets you off  
I wanna get you off, baby  
And lover, straddle my brass and we'll dance in the land of the hard and soft  
I don't care, baby. Whatever gets you off?

If the Kid can't make you come, nobody can

Need I say more, baby?  
Do you wanna straddle my brass?

If the kid can't make you come, nobody

That's a pretty blouse  
Thank you  
Take it off  
Is that better?  
A little bit, I'd rather see it live in concert though  
Well, I'll tell you what, cutie. I'll let you take that off  
Oh yes  
This little hook went to Holland. This little hook went to France  
This little hook went to London. And this little hook went to  
Uhmm  
Oh Lord! Honey, don't you ever try and breastfeed no baby  
Why not?  
Never mind. What time is it?  
Titty time  
I know that's right  
Uhmm

What's my name?  
Morris  
No, come on baby, what's my real name?  
Uuh, uh, uhh  
Talk to me, talk to me  
M Mo Mor Morris  
Yes! Oh baby, you're just too sexy  
Morris?  
Yeah baby  
What's my name?  
It's baby, ain't it?  
Oh Morris, what's my  
Ah ga ga ga ga  
Oh, Morris  
Too sexy

I bet you never thought I'd be this good, did you?

Let me hear the pledge of allegiance, baby

What do you mean?

You know, like you used to do in school

You got to be kidding. I guess you're not

Come on baby, Morris is listening

OK I pledge allegiance to the flag of the United States of America

And to the republic for which it stands

Oh Lord! You're just too sexy

Uuh

Ain't nobody bad like me?
