Too sexy

```
You like my crib, baby?
Well, come a little closer. Don't be shy
Darlin', I want you so bad. I can almost taste the smell of your skin
And honey, I'd be so sad, if you didn't break down and let me in
You better let me in, baby. Don't you know
If the Kid can't make you come, nobody can
Am I gettin' through, baby?
Sweetheart, I can be gentle as a lamb. If that's what gets you off
I wanna get you off, baby
And lover, straddle my brass and we'll dance in the land of the hard and sof
I don't care, baby. Whatever gets you off?
If the Kid can't make you come, nobody can
Need I say more, baby?
Do you wanna straddle my brass?
If the kid can't make you come, nobody
That's a pretty blouse
Thank you
Take it off
Is that better?
A little bit, I'd rather see it live in concert though
Well, I'll tell you what, cutie. I'll let you take that off
This little hook went to Holland. This little hook went to France
This little hook went to London. And this little hook went to

I bet you never thought I'd be this good, did you?

Let me hear the pledge of allegiance, baby
What do you mean?
You know, like you used to do in school
You got to be kidding. I guess you're not
Come on baby, Morris is listening
OK I pledge allegiance to the flag of the United States of America
And to the republic for which it stands
Oh Lord! You're just too sexy
Uuh
Ain't nobody bad like me?
