

# Oneday I'm gonna be somebody

The Time

One day I'm gonna be somebody  
One day I'm gonna be rich  
I'm gonna say my prayers and work real hard  
So that I never have to dig a ditch

The only way I'd work at a car wash  
Is if I owned the whole damn place  
But if gettin' to the top means washin' a car  
I'd be scrubbin' with a smile on my face

One day I'm gonna be somebody  
Gonna stand out in a crowd  
One day I'm gonna be somebody  
Gonna make somebody proud

One day I'm gonna be somebody  
Gonna stand out in a crowd  
One day I'm gonna be somebody  
Gonna make somebody proud

One day I'm gonna be a star  
I'm gonna do whatever it takes  
Why should I starve when I could be elsewhere  
Makin' what the rich man makes

If I should die before I'm rich  
I pray the Lord my soul to keep  
But if I'm rich before I die  
I wanna work 'cuz nothin' comes cheap

One day I'm gonna be somebody  
Gonna stand out in a crowd  
One day I'm gonna be somebody  
Gonna make somebody proud

One day I'm gonna be somebody  
Gonna stand out in a crowd  
One day I'm gonna be somebody  
Gonna make somebody proud

Somebody bring me a mirror  
So I can look at my cash  
Somebody bring me a mirror  
So I can look at my cash

We don't like new wave!
