

## Communication

The Ting Tings

What you gonna do with a mobile phone?  
Give it up, wait, give it all back when you know, you know  
I don't even care where you've been  
You don't need to say anything  
Don't you know that I got communication  
All the while, I've got communication  
You could be on the other side of the wall  
You could be in the middle of nowhere  
But I control the sings of the wands  
And I just turned the light and it's golden  
Don't you know that I got communication  
All the while, I've got communication  
I'm not with it and you're not with it  
But I know that you know  
I'm not with you and you're not with me  
But I know that you know  
Na nana, nanananana, Na na, nanananana  
I communication  
Communication  
Communication, all the while, I've got communication  
(I'm not with it and you're not with it)  
Na na, nanananana  
(I'm not with you and you're not with me)  
Communication
