What you gonna do with a mobile phone? Give it up, wait, give it all back when you know, you know I don't even care where you've been You don't need to say anything Don't you know that I got communication All the while, I've got communication You could be on the other side of the wall You could be in the middle of nowhere But I control the sings of the wands And I just turned the light and it's golden Don't you know that I got communication All the while, I've got communication I'm not with it and you're not with it But I know that you know I'm not with you and you're not with me But I know that you know Na nana, nanananana, Na na, nanananana I communication Communication Communication, all the while, I've got communication (I'm not with it and you're not with it) Na na, nanananana (I'm not with you and you're not with me) Communication
