

Daughter

The Ting Tings

(Verse 1)

(Verse 1)

I can't get too deep
Tell your best friends I'm ready for you
Keep a lil the distance
Get to know that, my? petition
Learn your A B C's, tell some lies
Much better than you
Keep fall in luv, it's too hard(?)
Hold yourself back, the way I'm goin'

(Chorus)

You gimme yo hand and I will shake ya to the ball
Gimme the beats and I will hit them out the park
You gimme the keys and I will take them for a walk
You gimme yo ears and I will go until they're long
Daughter, helpless
Wait until you get home
Daughter, helpless
Wait until you get home
