

Failure

The Ting Tings

F A I L U R E

Oh, my, that's what we're giving all the time
When we're only working on the mind
Please someone come and tell us what to do
Please someone come and tell us what to do

Walk away, crawl under the table or the sink
Oh, hold it in my hand ?
And everything I do it gets the pace
I'm so excited, I'm delighted

Not elated, not alleged, not ordinary
Not on time, in no position, no religion
Not elated, I might as well be givin' it all the time

I'm the only one to know my mind

Please someone come and tell us what to do
Please someone come and tell us what to do
