

Give It Back

The Ting Tings

You say where gonna leave this| 100 miles an hour| You couldv'e
we could
just stay| But I don't know how
You say where gonna jump ship| 100 times a day| I only got some
for your|
And I will run our way
You say were gonna jump ship| There's a fool on the road| Take
what we've
been missing| Boy I have to go
This could have been perfection| If we had ever since| But I ha
ve even it's
before us| And so we started article
