Give It Back

The Ting Tings

You say where gonna leave this | 100 miles an hour | You couldv'e we could just stay | But I don't know how You say where gonna jump ship | 100 times a day | I only got some for your | And I will run our way You say were gonna jump ship | There's a fool on the road | Take what we've been missing | Boy I have to go This could have been perfection | If we had ever since | But I ha ve even it's before us | And so we started article
