

## Green Poison

The Ting Tings

Green Poison makes me fly  
Green Poison makes me high  
(Mash that, mash this with all)  
(Now mash, mash this with all)  
Green Poison makes me fly  
Green Poison makes me high  
(Mash that, mash this with all)  
(Now mash, mash this with all)  
Can't stop thinkin' back everyday  
It makes me want it, ?  
First you want it, then you need it  
Now you want it, cause ya need it  
Pass this on, now pass  
Pass this shit on  
Green Poison makes me fly  
Green Poison makes me high  
(Mash that, mash this with all)  
(Now mash, mash this with all)
