

Only Love

The Ting Tings

Ten out of ten just makin' me sigh
Give a little more, just enough to get by
I am a preacher, you are my sin
Same old stories since stories begin
Get out the booth, smith for days(?)
We are on the? more than one way
I am a preacher, we can go far
Roar all the baggage in the back of my car
?

My offer won't wait, my offer won't wait
Oh, play along, oh, soon be gone
My offer won't wait, my offer won't wait
It's only love, it's only love
(Only love)

I so want it ten outta ten a roof that's on fire
Either what you do and yeah you're doin' it right
Hidin' round the way, you don't wanna be seen
But you're hawlin' around right in front of my jeep
?

My offer won't wait, my offer won't wait
Oh, play along, oh, soon be gone
My offer won't wait, my offer won't wait
It's only love, it's only love
(Only love)
