

Super Critical

The Ting Tings

Super critical girl taking over the world
Super critical world taking over the girl
Give it... come on and you can see the love
Give me that drum I beat it all
Give it away I want it more
Give it that we doing what we do
Someone get up and pay the guy
You gonna have to pay this animal
Take it on '
Super critical girl taking over the world
Super critical world taking over this girl
Sit here and I kinda do the run
And better you come here and stay on line
What are we doing up on the face
Why are we all the, all the way?
Beating the one how's here the most
Look at you walking in the dark
Look at you coming back for more
21 times on day
Super critical girl taking over the world
Super critical world taking over this girl
Super critical girl taking over the world
Super critical world taking over the girl
