

Sincerely

The Tokens

Tonight, Tonight,

While I'm holding you so near,
Tonight, Tonight,
What I'd give if I could hear,
The three little words, that would thrill the heart of me,
Just whisper, shh, I love you, and will eternily

Tonight, Tonight,

More than anytime before,
This heart of mine,
Seems to need you so much more,
The touch of your lips,
The thrill of your embrace,
Keep saying, that no one, could ever take your place,
While looking up a far,
I wished upon a star,
And prayed for a blessing from above,
Well if my wish would come true,
Until our life is thru,
I'll have you near, to have, to hold, and to love,

Tonight, Tonight,

May it never reach an end,
I'll miss you so,
Till you're in my arms again,
With all of my heart I declare with all my mind,
I'll love you forever, as I love you tonight

Whoa oh oh oh oh

Tonight, Tonight,

May it never reach an end,
I'll miss you so,
Till you're in my arms again,
With all my heart I declare with all my mind,
I'll love you forever, as I love you tonight
