

# Tonight I Fell In Love

The Tokens

Dum, doobie dum, woo - oo, doobie, doobie  
Dum, doobie dum, woo - oo, doobie, doobie  
Dum, doobie dum, woo - oo tonight I fell in love, woo -  
oo

Tonight, tonight I fell in love, I want the stars above  
To know tonight I fell in love.  
Tonight, I gave my heart away to love that can stay  
'Cause tonight I fell in love.

Oh what a wonder, this magic spell I'm under!  
This feeling that I feel, is it really real?  
My heart beats so fast, I pray that it will last  
'Til the end of time.

Dum, doobie dum, woo - oo, doobie, doobie  
Dum, doobie dum, woo - oo, doobie, doobie  
Dum, doobie dum, woo - oo, tonight I fell in love, woo -  
oo

Tonight, oh may it last forever, forever and ever.  
Yes, tonight I fell in love.  
Yes, tonight I fell in love  
Yes, tonight I fell in love.  
Wooooooooo
