

Bill Dance Lands The Big One

The Tony Danza Tapdance Extravaganza

We held
Strong arms
As alpha decided our alliance
Through childhood trust
Bonds tied strong
To these roots of compeer
Attitude through perfect lean shows us all
Truth
Ways through
Distrust unfold
We fell
We fell hard
I tried to
I tried to stop this
Now
This will be the last time
This will be the last
This pasess down through blood
Shower me with this catch
Into the backs of persistance
Days lost in you
