

You can be what you want to be.
You can be whatever you see.
Whatever in this world makes you happy.
Don't listen to them listen to me.

I don't care whatever you do,
I just care that you'll be true.
If you want to be a cowboy, then that's what you do.
There's a horse somewhere waiting for you.

You can be what you want to be.
You can be whatever you see.
Whatever in this world makes you happy.
Don't listen to them listen to me.

Do you believe in an unlived life?
Self-fulfillment, not self gratification's strife.
Well, you can change and time will tell.
You think you're in heaven, but you're living in Hell.

You can be what you want to be.
You can be whatever you see.
Whatever in this world makes you happy.
Don't listen to them listen to me.

If you can't take another day trapped in chastisation or disapproval's fray,
then just go my dear and believe you me, its not so frightening
to be free.

You can be what you want to be.
You can be whatever you see.
Whatever in this world makes you happy.
Don't listen to them listen to me.
You can be what you want to be.
You can be what ever you see.
Whatever in this world makes you happy.
Don't listen to them listen to me.
