

It Can't Be Nashville Every Night

The Tragically Hip

He said, "fuck this" and, "fuck that"
And this guy's the diplomat
Stares into the blur of the tuner lights
It can't be Nashville every night

He said, "We are what we lack"
And this guy's the autodidact
Stares into the glare of the TV lights
It can't be Nashville every night

With its la la oh oh ohs
Whoa-ohs and yeahs
La la oh oh ohs
Whoa-ohs and yeahs

He sang, "I'll die before I quit"
And this guy's the limit
Stares into the queer of the firefight
It can't be Nashville every night

With its la la oh oh ohs
Whoa-ohs and yeahs
La la oh oh ohs
Whoa-ohs and yeahs

La la oh oh ohs
Whoa-ohs and yeahs
La la oh oh ohs
Whoa-ohs and yeahs
