

# Long Time Running

The Tragically Hip

Does your mother tell you things  
Long, long when I'm gone?  
Who you talking to?  
Is she telling you I'm the one?

It's a grave mistake  
And I'm wide awake

Drive in's rained out  
Weatherman wet fingers the sky  
He pokes it out, he pulls it in  
He don't know why

It's the same mistake  
It's been a long time running  
It's been a long time coming  
It's well worth the wait

We don't go anywhere  
Just on trips  
We haven't seen a thing  
We still don't know where it is

It's a safe mistake  
It's been a long time running  
It's been a long time coming  
Well, well, it's all the same mistake  
Dead to rights and wide awake  
I'll drop a caribou  
I'll tell on you  
I'll tell on you  
I'll tell on you

You've got a boatload of nerve  
But I would say you've been told  
You work me against my friends and you'll get  
You'll get left out in the cold

It's the same mistake  
It's been a long time running  
It's been a long time coming  
It's been a long, long, long time running  
It's well worth the wait  
It's well worth the wait  
It's well worth the wait  
It's well worth the wait
