

Love Is A First

The Tragically Hip

I've been interpreted and shrunk
I've been as touch less as a drunk

This is as bad as or worse
As bad as or worse
This is as bad as or worse
As bad as or worse

Love is a curse
Be her world, all it deserves
Love is a curse
Get what you can not desert

I know, I know it's all just first blurts
That he who would try to own deserves it
And I know it's got nothing to do with deserves it
Just that you don't just blurt

Love is a curse
Love is a curse
Love is a curse
You don't just blurt
Love is a curse

Though I've been too weak to escape
And I don't have the strength to pluck a grape

Though it's as bad as or worse
As bad as or worse
Though it's as bad as or worse
As bad as or worse

Love is a first
Felt the dull fangs of the truth
Love is a first
Their music they torture to
Love is a first
A song would power it first
Love is a first
Let's walk down the darkness's horse

We were frozen until he saw us
And smoke and murder fell on the floor
And watch the own death of your TV
And dreams are stuck in urgent tweeds
Drain the ocean of words
Like God's representatives on earth
Learn to hurt and how not to hurt
And the thing you taught me and what I learned
Love is a first

And it's as bad as or worse
Love is a first
As bad as or worse
Love is a first
As bad as or worse
Love is a first

As bad as or worse

Love is a curse
Be her world, all it deserves
Love is a first
Go where the curtain occurs
Love is a curse
Get what you can't not desert
Love is a first
It just occurs and a occurs

We were frozen until he saw us
And smoke and murder fell on the floor
And watch the own death of your TV
And dreams are stuck in urgent tweeds
Drain the ocean of words
Like God's representatives on earth
Learn to hurt and how not to hurt
And the thing you taught me and what I learned
Love is a first
