

Now For Plan A

The Tragically Hip

Yeah, I know, I know, I know
It's still not enough
Nothing short of everything
Nothing short of everything's enough
No matter how wide or how tough
Nothing short of everything's enough

Yeah, I know, I know, I know
Now for plan A
I'll stay till the wisteria fades
And falls on L.A.
No matter how high or how rough
Nothing short of everything's enough

In your face the endless patience
The fleeting nature of life on display
(And nothing short of everything)
(Nothing short of everything)
I'll stay till the wisteria fades
The way it falls all over L.A.
(Nothing short of everything)
(Nothing short of everything)
(Nothing short of everything)
(Nothing short of everything)
(Nothing short of everything)
No matter how wide or how rough
(Nothing short of everything)
(Nothing short of everything)
Nothing short of everything's enough
(Nothing short of everything)
(Nothing short of everything)
(Nothing short of everything)
(Nothing short of everything)
