

# Small Town Bringdown

The Tragically Hip

Been to Reno  
Drives an El Camino  
Can you dig that style?  
Hip canteen  
You always make the scene  
You're a crazy child

It's a sad thing, bourbon's all around  
To stop that feeling when you're living in a small town  
You're long and lean but things don't get you down  
You're a top ten kingpin in the borders of your hometown

Can't get hip  
You work the jobs I've quit  
Don't you dig that style?  
You won't admit  
You just don't give a shit  
'Cause your mind's gone wild

It's a sad thing, bourbon's all around  
To stop that feeling when you're living in a small town  
You're long and lean but things don't get you down  
You're a top ten kingpin in the borders of your hometown

Can't live to die, too easy  
Why stick around?  
I want my live to please me  
Not another small town hometown bringdown

This is it  
You might as well get pissed  
Don't you dig that style?  
Make your trip  
There ain't that much to miss  
When your mind's gone wild

It's a sad thing, bourbon's all around  
To stop that feeling when you're living in a small town  
You're long and lean but things don't get you down  
You're a top ten kingpin in the borders of your hometown

Within the borders of your hometown  
Within the borders of your hometown  
Your hometown  
Your hometown  
Your hometown, yeah
